Hi Kim, The report has not been made available yet. No definite word on when it will be available. We are immersed in responding to comments and revising the assessment.

Rick,
I looked on the EPA Bristol Bay site and didn't see a copy of the Peer Review Report. Can I get a copy of it? Is it available?

Kim

Hi Kimberly,

We expect to release the Peer Review Report of the Watershed Assessment, that was prepared by the contractor Versar, in September. The Water Shed Assessment is not expected until the end of December.

Rick,

Do you have an idea when the Bristol Bay Watershed Assessment will be finalized? We heard last night at a BBNC meeting that we expect it out next week.
